Double Feature
26.04.2023
Schirn Kunsthalle, Frankfurt, GER

The Double Feature sees itself as a platform for different currents and forms of expression in film and video art production. For more than eight years, the SCHIRN has invited national and international film and video artists to present a work from their own oeuvre, followed by a film of their choice.

On Wednesday, April 26, 2023 Flo Maak will curate the evening around his video work 'Hang On, Hang Tight' (with Lasse Lau).

Start: 7:30 pm at SCHIRN SPACE.
Free admission.
