

Giacomo Santiago Rogado

House of Galleries 2025
24.01.2025 - 26.01.2025

Trianon Haus, Mainzer Landstraße 16, 60325 Frankfurt am Main

We are pleased to announce our participation in the Frankfurter House of Galleries. You are cordially invited to visit us at the Trianon Tower. From 24th to 26th January 2025, we will be showcasing the captivating paintings of artist Giacomo Santiago Rogado. His works mesmerise with vibrant colour contrasts and an extraordinary abstract visual language, creating a hypnotic and pulsating effect.

Please visit us in room 20.

The 'House of Galleries' marks the dynamic opening of the year for contemporary art, taking place from 24th to 26th January in Frankfurt am Main. 26 galleries from Frankfurt and across Germany will be located on the executive floors 43 and 44 of the Trianon Tower. This event brings a long-awaited, nationwide platform to the Frankfurt art scene, uniting leading galleries from both the city and beyond. House of Galleries is a project by The Frankfurt Art Experience and is supported by the Ministry of Economics of Hesse. The international specialist insurer Hiscox, renowned for its expertise in art insurance, is partnering with the project for the first time
