Anfang von etwas, 2021
Installations

Giacomo Santiago Rogado
"Anfang von etwas"
Städtische Galerie Delmenhorst / Haus Coburg
January 30 - March 28, 2021

"Anfang von etwas" (The Beginning of Something) is Giacomo Santiago Rogado's (* 1979, Lucerne) first solo exhibition in a museum in Germany. The paintings presented, including an extensive walk-in installation, were created especially for Haus Coburg. The exhibition is a celebration of painting, seductive and powerful.
