Kyungwoo Chun

Ordinary Unknown
14.09.2018 – 11.11.2018
Sungkok Art Museum, Seoul, KR

Ordinary Unknown is a large-scale exhibition of the work of artist Kyungwoo Chun(1969 in Seoul). Consisting of installations, videos, photographs and archive.
Ordinary Unknown gathers the performance projects that the artist has undertaken over the last 15 years at numerous locations around the world. Chun's highly interactive performance work engages directly with public, space and site-specificity. The artist's works are oftentimes activated by the viewer participating in ordinary activities, such as writing text. Through such interaction with the audience, Chun explores different aspects of human relationships and communication.
