BERNHARD FINE KNAUS ART

Marten Schech Start to Finish 20.10.2022 - 18.11.2022 TOR Art Space, Frankfurt am Main

Group Show

"Start to Finish" brings together works by 19 artists whose practices are distinguished by a focus on process and materiality. While some use methods rooted in the tradition of craft, others have developed their own meticulous systems to shape familiar media, taking us on a journey through the results of their manual explorations.

"Start to Finish" is a showcase of the interplay between thinking, making, and final object.

Curated by: James Beatham, Elizabeth Charnock, Lucy Nixon and Myriam Perrot.
