We invite you to discover art, artists and discourses with us. Find us at booth H13!

Since 2017, the art fair Art Düsseldorf has set itself the goal of being a leading platform for new talents and diverse perspectives: whether young or established, artists or gallery owners, collectors or curators, Art Düsseldorf offers a stage for progressive positions, relevant ideas and exciting concepts. This is reflected not only in the exhibitors' programmes, but also in the fair's digital presence and the supporting programme that accompanies the galleries' presentations.

Bernhard Knaus Fine Art is delighted to present new works by Katja Davar, Mark Francis, Myriam Holme, Marten Schech, Stefan à Wengen, Petra Wunderlich and Robert Zandvliet.
