House of Galleries 2026
22.01.2026 - 25.01.2026
Trianon Haus, Mainzer Landstraße 16, 60325 Frankfurt am Main

We are pleased to announce our renewed participation in Frankfurt's House of Galleries. You are warmly invited to visit us at the second edition of the House of Galleries in the Trianon Tower. From 22 to 25 January 2026, we will present the compelling works of the artist Myriam Holme, whose artistic practice is shaped by an expanded concept of painting that integrates painterly, sculptural, and installation-based elements. Her works emerge from an experimental engagement with materials and found objects, which she weaves into open, multi-layered narratives exploring materiality, history, and value.

You can find us on the 42nd floor in Room 16.

We look forward to your visit!
