

Register now: Kids & Family Workshop
26.10.2024

Bernhard Knaus Fine Art, Niddastrasse 84, 60329 Frankfurt am Main

The Kids & Family Workshop is entering its second round. We are once again offering a very special event to accompany our current solo exhibition by artist Myriam Holme 'von leisem gewicht': Together with the two art educators Linda Enseroth and Jeannette Fabis, there will be a chance to get creative with the medium of paper. For our Kids & Family Workshop, the gallery will be transformed into a studio for a few hours where young and old can get creative.
