Bernhard Knaus Fine Art, Niddastraße 84, 60329 Frankfurt am Main

Just before the Frankfurt Book Fair #bm25, we warmly invite you to a special event at the Bernhard Knaus Fine Art Gallery:

Reading from the new novel "Eine andere Geschichte" by Dr. Gerhard Kebbel

Thursday, September 18, 2025, from 7:00 PM

Bernhard Knaus Fine Art Gallery, Frankfurt within the current exhibition by Ralf Peters

In his newly published book – available as a hardcover and Kindle eBook – the author tells the interwoven life stories of an old man that lead a young woman named Toni into a fascinating labyrinth of riddles. With references to literature, art, the publishing world, consulting, and banking, this multilayered work explores themes of memory, identity, and reality.

During the reading, the author will present excerpts from the novel himself and offer insights into the creation of this literary project. (The book is available on Amazon; the author will be happy to sign your copy.)

We look forward to welcoming you to an inspiring evening at our gallery.
