

SCHOOL meets GALLERY meets SCHOOL
30.06.2023 - 01.07.2023
Bernhard Knaus Fine Art, Frankfurt am Main

We present the fourth edition of SCHULE trifft GALERIE trifft SCHULE:

On June 30, 6pm-9pm and July 1, 11am-6pm, we will be showing works by students* from Frankfurt's Schillerschule. Together with the students and their teacher we are looking forward to your visit!

For this year's edition of SCHULE trifft GALERIE trifft SCHULE, students have once again prepared and organized exhibitions with their own works created in the school context. The vernissage will take place on Friday from 6 pm. During the opening hours on Saturday, the students and we invite you to the exhibition "Breaking Dimensions" and offer free guided tours.
