Bernhard Knaus Fine Art, Niddastraße 84, 60329 Frankfurt

Under the theme “Wine Meets Art,” we warmly invite you to a special evening at our gallery. During a guided tour of the current exhibition "Fields Unbound", you will explore the artworks in a relaxed atmosphere and engage in conversation together. Afterwards, we look forward to a curated wine tasting in cooperation with the Scheck-in Center, bringing the evening to a delightful close. Sommelier Natalie Lumpp will professionally introduce you to the world of wine.

An inspiring interplay of art, exchange, and flavor.

Tickets are available for 10€ at the customer information desk of the Frankfurt markets at the Scheck-in Center.
